Dear Prospective Team Member,

The Ragin' Cajuns Water Ski Team would like to invite you to our Fall Recruitment weekend on the 6th – 8th of November, 2020.

The University of Louisiana at Lafayette and the City of Lafayette is a great community full of culture, like nowhere else. There is plenty to do around town, from dining at unique eateries; exploring the swamp life; enjoying the downtown atmosphere with live music. We want to share these experiences with you.

During your weekend in Lafayette, you have the option to stay at a teammate's apartment/house, you will have a campus tour, we will visit the water ski facility and you will have the option to ski, and you will also have the opportunity to meet the team. This weekend is Homecoming with a football game. You will have the option to go and experience NCAA sports and cheer on the Cajuns.

We want to share our city, campus, team, and ski facility with you.

If you are interested in coming to Lafayette for our Recruitment weekend, please call or email Taryn Grant or Harry Spavin so we can make arrangements.

Please contact us with any questions you have about the team, school, city, or weekend. It is our pleasure to have you visit Lafayette to meet the team, ski at Airport Lake, and explore the city.

We are excited for this opportunity and hope to see you in Cajun Country soon!

We look forward to hearing from you,

Ryan Gonzales, Head Coach
